Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Mr. Wilson,

Per our telephone conversation on August 10, 2004, you requested that we withdraw the Final office action. You indicated that the amendment filed on February 27, 2004 was drawn to the same invention as was the originally filed invention. Upon carefully reviewed of the claims, it appears that the Examiner had interpreted the claims incorrectly. Therefore, the Finality of that last office action has been withdrawn and the Office has restarted the time period on this application for further prosecution. A new office action will follow.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Examiner Cam Nguyen, whose telephone number is (571) 272-1357. The examiner can normally be reached on M-F from 9:30 am. to 6:00 pm.

The appropriate fax phone number for the organization where this application or proceeding is assigned is (703) 872-9306.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to telephone number (571) 272-1700.
